NOTES AND INFORMATION

Volunteers please note: If you cannot make your regularly scheduled shift, if there is a volunteer you alternate weeks with, please reach out to them first to see if they can assist you. If they cannot cover your shift please call or text Linda Hartzell, 215-208-4253, llhartz45@gmail.com, directly so we can find coverage.

Store Leads – Please be sure to contact us for any emergencies with cats in the room, sick cats etc.

Mariuz Dziewulski 609-665-5237 hominemodi@gmail.com

Note - Store Managers should be contacted if any issues at the store, if the TCR store leads are not available, and can help with getting cats back in a cage, broken hose in sink, broken locks etc. Note: If anyone leaves an abandoned cat at the store, in the room/outside of the room, please notify the manager immediately and take it into the office. A Store Lead should also be contacted by the volunteer. Any injuries in the room should also be reported to the Store Leads and PetSmart Management so an injury report can be completed as required by PetSmart.

Store Manager – Monica 908-377-6413

The room is stocked by volunteers with food and litter provided by PetSmart. We are currently getting Science Diet Dry and Wet for Adult and Kittens; litter is Dr. Elsey, unscented. If the brands change the manager will let us know. There are additional supplies in NJ at Kristine Schmidt's home. Her cell 973 713 1301 If we run low on Fancy Feast we can ask for a supply if they have any to be picked up.

Laundry:

Towels and bedding/soft material toys should be placed into the laundry basket by the restrooms and lockers. Joan Pfender picks them up during the week and Joann takes them on Fridays.
